

Lección  
**8**

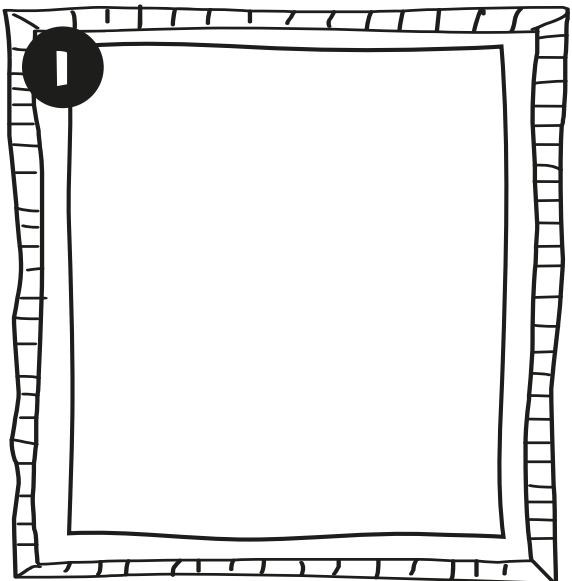

# Sí, ¡se puede!

**Camilo wants to know *¿Cómo es tu familia?* Can you tell Camilo what your family is like?**

In the picture frames, draw four people from your family: *madre, padre, hermano, hermana, abuelo, or abuela*. If you'd like, you can also include a *mascota*. For each person, write who they are, their name, birthday, a short description, and what they like to do.

If you need help with ideas, review the vocabulary from Level B and watch the Lesson 8 Video Story again. When you're finished, can you use what you've written to make an oral presentation about your family? Use the sheet to guide you as you tell someone about your family.
