

Sí, ¡se puede! (C)

Can you tell Rita all about your house?
 Use the columns to help you organize your information, and then write a paragraph about your house. At the end, can you use what you know in Spanish to say why you like your house? Finally, use what you've written to draw your house and label it with some of the information you've put together. Use your picture (not this page) to help you give a presentation about your house to someone you know.

Mi casa es ...	Mi dirección es ...	En mi casa, hay (¿una cocina? ¿dos baños?)	En mi casa, tengo ... (¿libros? ¿sillas?)
